Houses

The House System is an integral part of life here at APIS. Every student who joins our school is placed into one of four houses:

GRIFFINS

Green

Dragons

Red

CENTAURS

Blue

Phoenix

Yellow

The House System plays a key role in our Pastoral Care System providing students with a collegial network of friends when they first arrive on campus. The Houses each elect Captains and Vice-Captains at the start of the year, both in the Primary and Secondary School, and then meet regularly to prepare for the House Competitions that take place and talk team strategy in regard to gaining valuable House Points. Students are awarded House points for positive acts and for helping each other and the teachers throughout the normal school day. House points are also awarded for student involvement in school events such as Sports Day and the School Productions and as such play a pivotal role in encouraging 'Good Behaviour' and in developing team spirit and greater individual responsibility.
