

Working for Asia Pacific International School

Thank you very much for your interest to work at APIS

We hope you will take time to read our Prospectus (available on the website) and explore our website further, as this will give you a good overview of life at APIS and what we stand for.

In summary, APIS is a very successful and happy school in a pleasant environment on the outskirts of Kuala Lumpur. We have a strong sense of community with respect, empathy, creativity, and independent learning all being priorities at our school.

We are constantly looking for passionate, inspiring, innovative and high achieving professionals to join our team and who have a strong track record of teaching success. You must be able to implement best practice in order to achieve all-round excellence and ensure outstanding learning outcomes for all students.

There is so much for us to be proud of here at APIS, and we hope that after reading about our school you will decide to apply, if there are no current vacancies listed relevant to your skills and experience, but you feel you have something exceptional to offer, then we would still like to hear from you.
